

*Far from the maddening crowd, we sell farmlands. We advise for cultivation of land. We offer you a yielding and appreciating asset. A weekend home away from an urban home. It is the company founded by Agri and food engineers from IIT Kharagpur and IIM Ahmedabad with over 3 decades of global experience*

## FOUNDER / CEO

### ***Nirmal K. Bhardwaj***

Distinguished alumnus of IIT Kharagpur and IIM Ahmedabad  
With over 3 decades of experience in Agri tech and real estate .

 Coorg, Karnataka

## Coorg

Coorg, also known as Kodagu is on the eastern slopes of the Western Ghats. Occupying an area of 4,102 kilometres of land, this administrative district of Karnataka state is one of the most beautiful hill stations in southern India. The topography of Coorg ornamented with grassy downs, paddy fields, sloping glades, waterfalls and deep ravines spreads over more than 1,590 square miles of beautiful terrain. The topography of Kodagu district has a mountainous configuration with valleys and ravines. Kodagu has approximately 65 per cent of its geographical area under tree cover
